SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

On September 26, 2006, Applicants submitted an Information Disclosure Statement (IDS) identifying, *inter alia*, the references cited on the Form PTO/SB/08B accompanying this Supplemental IDS. Applicants indicated that these references were previously submitted or cited in U.S. Patent Application No. 09/757,685, and in accordance with 37 C.F.R. § 1.98(d), copies of the references were not being submitted.¹ Applicants indicated, however, that copies would be submitted at the request of the Examiner.²

On August 15, 2008, a telephonic conference was held between the Examiner and Applicants' representative. The Examiner informed Applicants' representative that the references not considered in the September 26, 2006 IDS could not be located in the file of Application No. 09/757,685. Applicants' representative agreed to submit these references in a Supplemental IDS.

Applicants respectfully request consideration of the foregoing plus the prompt return of a copy of the enclosed Form PTO/SB/08B with the Examiner's initials in the left column in accordance with M.P.E.P. § 609.

¹ See IDS filed September 26, 2006.

² *Id.*

Applicants submit that no fee is required for consideration of this Supplemental IDS. Applicants are merely providing copies of references that USPTO apparently misplaced, along with a PTO/SB/08B listing references properly identified in a prior IDS submitted in accordance with 37 C.F.R. § 1.98. However, in the event any fee is deemed necessary, the USPTO is authorized to charge the undersigned's **Deposit Account No. 50-0206**.

Respectfully submitted,
